## **Wade Wilson Art opens *On the Edge of New: Paintings by New Artists***

**(HOUSTON, November 2011; source: Juice Consulting LLC) – Wade Wilson Art** announces a special exhibit: ***On the Edge of New: New paintings by New Artists*** which opens with a reception for the artists from 6 - 8 p.m., Thursday, December 1 and will remain on view through December 31, 2011. Wade Wilson Art is located at 4411 Montrose Blvd. Suite 200, Houston, Texas, 77006.

*On the Edge of New* includes works by Justin Garcia, Felipe Lopez, Winston Lee Mascarenhas, Deborah Porter, Cheryl Schubert, Nazar Yahya. Typically, Wade Wilson Art represents artists working in mid to mature stages of their careers but rarely, if ever, does the gallery work with emerging artists. This exhibit combines both works of emerging artists along with works by artists who are new to the Houston community or just reaching the beginnings of their artistic stride. Now in its sixth year of operations, Wade Wilson Art, with this exhibit, is nurturing a new generations of masters. *On the Edge of New* specifically features recent paintings by artists whose works have moved Wilson to respond in a favorable way. Hence, Wilson has chosen works by seven artists to present to the collecting community – some of whom he intends to represent and will announce after the exhibit opens to the public.
